

## ***NEW EQUIPMENT NOW ABOARD THE EREBUS!***

**At Solitary Island Fishing Charters, we strive to offer top-notch service and equipment to enhance your fishing experience, increasing your chances of catching impressive fish.**

### **Shimano Saragosa 8000hg spinning fishing reels**

The Saragosa SW has built an incredible reputation taking the newly released models to the next level. Packed with upgrades to deliver great cranking power and unmatched durability, no other reel compares at this price point. The newly designed compact body has been engineered to reduce the weight across the entire series, improving the reels handling and balance. Drawing upon the Stella SWC, Infinity Drive is included and provides improved pinion gear support which translates to greater and smoother cranking power. The X-Protect water resistance system improves the line roller durability to an IPX8 standard. Built for big fish in extreme conditions, the Saragosa will continue to push the boundaries.

### **Ugly stik 5,8 ft spin rod**

Talk to any fisho and they'll have a story of a fish landed on an Ugly Stik. Already loved by countless anglers across the country, the new Ugly Stik Gold II spinning rods have all the bells and whistles you'd expect to take your fishing to the next level- plus more! The range has been exclusively designed with the Ugly Stik triple-build Howald process, resulting in a super strong rod that is incredibly sensitive. In other terms, this rod design will help detect the smallest of bites through the rod tip, with enough strength to land any trophy fish. The Ugly Stik Gold II comes equipped with high quality Fuji guides and reel seats, making it a great rod choice at an affordable price point. And with a 10 year manufacturers warranty, these rods will last a lifetime. If you're looking for a great all-rounder spinning rod that won't break the bank, the Gold II range has you covered!
